Westminster is a place that can take a little something and do a lot, but also can take a lot and do a whole lot more.”

Rev. Dr. J. Herbert Nelson, II
Stated Clerk, General Assembly, PC(USA)
Open Doors Open Futures

With an extraordinary commitment of $8 million, this congregation is boldly seeking the justice of God in the city and beyond.

Affordable Housing ($3.75 million)
Be a positive force for housing, rooted in the belief that all God’s people deserve a safe home. Examples: Build 150 units of affordable housing for under-served adults and mentor at-risk youth.

Local Partnerships ($1 million)
Nurture relationships with other communities of faith. Example: Help Grace-Trinity refresh worship spaces, fund a new pastor, and increase weekly attendance.

Young Adult Leadership ($850,000)
Invest in the real need to support young people as they discern their call in college and beyond. Examples: Improve academic achievement and help make college a reality for youth in North Minneapolis at 21st Century Academy, support young adults to find vocational meaning, and help reimagine a church of the future with NEXT Church.

Global Partnerships ($400,000)
Strengthen global partners in Cuba, Cameroon, and Palestine. Examples: In Cuba, provide funds for home-based theological and ethics training; in Cameroon give micro-loans to people living with HIV/AIDS who want to build businesses and financial independence.

South Sudan ($1,000,000)
Support PC(USA) work with partners. Examples: Address the many barriers children, especially girls, face in getting an education; train leaders to assist communities in dealing with the trauma of civil war.

St. David’s Harman Center and Magnet Senior Center ($1 million)
Support new ministries and mission partners. Examples: Provide onsite space for The Harman Center to serve children with autism and who have experienced trauma; host the Magnet Senior Center in offering programming and fellowship for seniors.
