<p style="text-align: center;"><b>The Opportunity</b></p>	<p><b>Fix-It Clinic</b></p> <p>Fix-It-Clinics are held in cooperation with Hennepin County’s Environment Department with the goal to reduce the number of repairable items that are thrown in the trash. During the pandemic the Fix-It Clinic has gone virtual. Volunteer as a repairer working one-on-one online. The Clinic is always interested in volunteers with sewing, electrical, wood working, and other repair skills. Participants with a small household appliance, clothing, electronics, or mobile device receive free guided assistance from a volunteer with repair skills to disassemble, troubleshoot, and hopefully fix the item. (And you are welcome to sign up for one-on-one online from a volunteer to extend the life of your household appliance or clothing, and learn valuable repair skills.)</p> <p>Further details on Hennepin County’s website: <a href="#">Fix-It Clinic</a></p>
