## Faith in Action Opportunity: Every Meal during Covid-19

| **The opportunity** | **Every Meal (formerly The Sheridan Story) Food Packing Volunteers**  
Every Meal works to fight hunger in our community by filling the gaps to food access that children face during weekends, summers and extended breaks. During Covid-19, instead of delivering food to 250 Minnesota schools for direct distribution in children’s backpacks, Every Meal provides food at designated food distribution points for children and families, serving more than 37% of all K-12 families in Minnesota.  
*Coordinated by the Hunger Ministry Team* |
| **What volunteers do** | **Volunteers pack food into bags that are distributed to families facing food insecurity. Health and safety precautions are in place for all volunteers during Covid-19. 20 volunteers per shift are needed.** |
