What is the role of a Re-opening Volunteer?

Re-opening Volunteers will be asked to:

- Register in advance
- Arrive 30 minutes before the start of worship.
- Answer the Covid screening questions upon arrival.
- Wear a double or N95 mask at all times.
- Stay six-feet apart from others in the building who are not in their immediate household.
- Stay home if they are not feeling well.
- Answer a short survey afterwards about their experience.
- Consider volunteering in the future at other events.

Also, we want those who volunteer to please remember that the worship experience at Westminster will look different from what they are used to. Currently, worship is broadcast from Westminster Hall with clergy speaking to a camera and the tech team adding videos and offering production cues during the service. In other words, worship might feel a little more like the set of a television show than a worshipful experience in the sanctuary.

To sign up, fill out this Doodle poll with the service date and time you would like to attend. Please add your name (and, if possible, an email address) for every person who will attending. One sign up will only equal one spot. If more than one person wants to attend together, you will need to sign up each person separately.
