Never fear, the Girl Scout cookies are here!

The Girl Scouts of Westminster are offering a variety of ways to purchase cookies during 2021’s Covid times. Cookies may be purchased for yourself and/or money can be donated that will be used to buy cookies for FEAST and the Groveland Food Shelf.

Cookies are $5 per package. The following varieties are available this year: Lemonades, Shortbreads, Thin Mints, Peanut Butter Patties, S’mores, Caramel deLites, Peanut Butter Sandwiches, Caramel Chocolate Chip (gluten free) and the new Toast-yay.

Cookies may be purchased with a credit card online. This page directly supports the participating WPC Girl Scouts.

- For Twin Cities buyers, choose the “Start Girl Delivery Order” option.
- To purchase cookies that you would like shipped, click on the “Direct Ship Order” option.
- For monetary donations that will be used to purchase cookies for FEAST and the Groveland Food Shelf, enter the package number you would like to donate under “Cookie Share” on the Cookie Selection page.
- Cookie orders will need to be approved on our end before your credit card is charged. This is simply to ensure that orders placed for Scout delivery are within our delivery range.

If you would prefer paying by cash or check upon delivery or have any questions about the cookie sale, send an email to wpcgscookies@gmail.com.

The last day to order cookies is March 20, 2021.

We will reach out to buyers to coordinate cookie delivery/pick-ups.

Thank you for supporting our Scouts, our FEAST guests and the Groveland Food Shelf!
